CIRCULAR TO THE UNIVERSITY COMMUNITY : STAFF AND STUDENTS

INDEFINITE CLOSURE OF THE UNIVERSITY

Following the unfortunate loss of the lives of five students to a tragic trailer accident at Felele city centre on Monday, 17th February , 2025, students have barricaded the gates of the university despite magnanimous interventions from the the State Government as well as frantic efforts and appeal by the University Management for calm.

Accordingly, arising from the advice of the State Security Agencies and to forestall further loss of lives, the Vice-Chancellor after due consultation with Mangement has decided on behalf of Senate, that the University (both campuses) be closed down INDEFINITELY within one hour of release of this circular. Students are therefore, to vacate the campuses on/or before 12 noon, today, Thursday, 20th February, 2025. Please note for strict compliance.
